

Sankara Eye Foundation – Rotary Club of Cupertino **Partnership for Vision**

Nat Narayanswami and Savita Vaidhyanathan

January 6, 2010[†]

The Rotary Club of Cupertino, California, is Sankara's partner in its "**Vision 20/20 by 2020**" mission to eliminate preventable and curable blindness in India.

Since 2007, RC Cupertino has worked with Rotary Clubs in India and in the Bay Area to provide poor patients in rural India access to free, quality eye care at the Sankara Eye Hospitals.

Read on, for a snapshot of some of the partnership projects and fellowship activities involving Sankara Eye Foundation-USA and RC Cupertino.

Thank you RC Cupertino, for your partnership and for giving the Gift of Vision!

**The “Gift of Vision” Rural Outreach Program at the Sankara Eye Hospitals
Working toward Freedom from Preventable and Curable Blindness in India**

The ‘Gift of Vision’ rural outreach program was initiated in 1990 at Sankara Eye Hospital –Coimbatore, through a Rotary 3H Grant. The program serves the rural poor who have a dire need for eye care services but can neither access nor afford it. Of the 45 million visually impaired in India, 12 million are totally blind. However, 75% of the blindness cases are either preventable or curable. Today, 8 Sankara Eye Hospitals conduct rural outreach, providing free eye care in poor and underserved areas, with a goal of performing 100,000 free eye surgeries for 2009. Each Sankara Eye Hospital works toward become fully self-sustaining within 5 years of service by providing paid eye care services to the more affluent. Each paid-for eye surgery enables 4 free eye surgeries. In the US, Sankara Eye Foundation, a volunteer organization, raises funds to support the Gift of Vision program. Their mission is “Vision 20/20 by the year 2020” with a goal to build 20 such Sankara Eye Hospitals in targeted locations across India and perform 1 million free eye surgeries annually by 2020.

Projects
Matching Grant #65242, 2008
60-seat Bus for Sankara Eye Hospital, Bangalore

A 60-seat Bus for transport of rural patients was delivered to the Sankara Eye Hospital, Bangalore, for the Gift of Vision rural outreach program. RC Cupertino and RC Bangalore IT Corridor (India) collaborated on a Matching Grant to make this Bus possible. The names of the two Rotary Clubs have been emblazoned on the side of the Bus. Within 10 months of service, the Bus had served over 21000 patients from surrounding rural districts. Of these, 6600 received free eye surgeries. Each cataract surgery costs just \$30. In November 2009, a visiting Cupertino Rotary team rode the Rotary Bus to a local village and saw a Sankara eye camp in action ([photos on pg. 19.](#))

The Bus

A New Life!

Over a 10 month period	2008 Aug - Dec	2009 Jan - May	Total
No of Camps conducted	92	92	184
No of Patients Screened	10262	11468	21730
No of Free Eye Surgeries Performed	2908	3732	6640
Bus in service from	August 03, 2008		
Miles traveled as of May 2009	21100		

1 patient per mile!

Projects
Matching Grant #70507, 2009
60-seat Bus for Sankara Eye Hospital - Coimbatore

A second 60-seat Bus was delivered in November 2009 to the Sankara Eye Hospital - Coimbatore. Matching Grant partners in this project were RC Cupertino, RC Coimbatore Central (India) and RC Sunnyvale Sunrise. A Rotary team visiting India inaugurated the Bus on November 12 ([photos on pg. 17.](#))

It is cause for celebration that the Bus was delivered to Sankara's main hospital in Coimbatore, where the Gift of Vision rural outreach program was born in 1990 thanks to a 3H Grant from Rotary International. That 3H Grant also was administered by the same local Rotary Club, Coimbatore Central. A full 19 years after the first rural outreach camp, the rural poor in the districts around Coimbatore once again benefit from International Rotary goodwill!

Announcing the Matching Grant in Sept. 2009 are (L to R:) President Liz Gallegos (with the check from SEF,) Nat Narayanswami (for SEF,) Cecelia Babkirk (International Services Chair) and Savita Vaidhyanathan (WCS Chair.) Photo by Alex Verstak.

Matching Grant #71516, 2010
60-seat Bus for Sankara Eye Hospital - Anand

A third Matching Grant is in progress. The participating club in India is RC Anand Round Town.

Projects Rotaract, 2008

Stanford University's Rotaract Club concluded a very successful 'Give Vision' project, and also raised funds to donate a \$25000 specular microscope to Sankara Eye Hospital - Bangalore. Within just 3 months of installation of the microscope, 38 Gift of Vision rural camps were conducted, 1483 patients were screened, and 158 patients received corneal treatment and free cataract surgery. Thanks to Angel Kelchev, Pradeep Rajendran, Donn Wadley (Rotaract Dist 5170 Chair) and all participating Clubs, including RC Cupertino. (All images and information from a presentation by A. Kelchev).

Rotarian Becomes Founding Member of Sankara Eye Hospitals – Anand and Punjab

SEF is proud to announce that Cupertino Rotarian and 2009-10 Club Services Committee Chair **Hung Wei** became a Founding Member (\$1000 donor) of the Sankara Eye Hospital, Anand, Gujarat, in 2008. Her name and the Club name are both inscribed on the Wall of Founders at the Hospital (see photo.) More recently, Hung pledged a second \$1000 Wall of Founders contribution, this time to the upcoming Sankara Eye Hospital at Ludhiana in Punjab. Thank you Hung for inspiring us all!

RC Cupertino Confers Honorary Memberships in August 2009

Two SEF members, Nat Narayanswami and Sam Rao, were among those conferred Honorary Membership of the Rotary Club of Cupertino, for the year 2009-10.

Nat Narayanswami has assisted in Rotary activities such as Avenues of Service 2007, Hole-in-One Golf 2008 and Matching Grant applications in 2008 and 2009 for Buses for the Sankara Eye Hospitals. Nat also joined the Rotary Team in November 2009 in its visit to Sankara Eye Hospitals in southern India. Sam Rao regularly writes about Rotary and Sankara activities in The Indian Express newspaper, Bay Area edition.

Thank you RC Cupertino for honoring SEF!

SEF Dandia, Santa Clara Convention Center, CA, September 2009

What better event to celebrate fellowship than the SEF Dandia? In 2008, Rotarians Orrin Mahoney, Liz Gallegos and others came to see what the hullabaloo was all about. They got hooked and decided this should become a regular fellowship event for RC Cupertino. SEF was delighted to host them again on Sept 19, 2009. The hall was packed with 3000 colorful dancers whirling to pulsating beats. There had been some concern that the Rotarians, tired from a long day in the sun at the Cupertino Fall Festival, might not make it to the Dandia at all. But they did make it and even made a surprise announcement. Liz Gallegos Glynn, Joe Glynn, Cecelia Babkirk, Hung Wei, Theresa Horng, Judy and Bill Wilson, Jerra Rowland and Savita Vaidhyanathan announced, as a group, that **Cupertino Rotary would donate a third Bus, this time to the Sankara Eye Hospital in Anand, Gujarat!** And they presented SEF a check too. It was the perfect occasion for the announcement, the Dandia being a popular Gujarati event. The SEF Dandia raises funds for the Gift of Vision program, and Cupertino Rotary has given Sankara yet another boost! Oh, and the Rotarians did try some fancy footwork and even promised to show up next time in full Indian attire. ☺

Eastern Elegance Dinner, August 2009

The 2009 Dinner was once again a grand event, organized by Cecelia Babkirk and Hung Wei of RC Cupertino, at the elegant home of Rotarian Hsing Kung, in the verdant Los Altos Hills. SEF attendees included K. Sridharan, Murali Krishnamurthy and Kala Murali, Divyogi and Bina Patel, Kaushik and Smita Patel, Venkat and Visala Maddipati and Nat Narayanswami. They had the opportunity to meet with several Rotarians, including leaders from other Clubs such as RC Foster City who are doing wonderful projects around the globe.

President Liz and Rotarian and Past President Jim Walker talked about Club Partners in Service and presented a check to SEF for a 60-seat Bus to be donated to the Sankara Eye Hospital –Coimbatore. Savita also announced the upcoming November Rotary visit to India and to the Sankara Eye Hospitals.

Thank you, RC Cupertino and Rotarian Hsing Kung, and Cecelia and Hung Wei for an evening full of fellowship and fun.

Eastern Elegance Dinner, Hakone Gardens, August 2008

SEF members attended last year's Dinner organized by RC Cupertino at the beautiful Hakone Gardens in Saratoga, CA. The Club presented a check to SEF for the Bangalore Bus project.

Highlight of the evening: Jim Walker, Rotarian and Past President of RC Cupertino, displays Elegance in handling the Eastern ceremonial gong.
(Photos by Alex Verstak.)

SEF iWalk, August 2009

The 5th annual Sankara iWalk at Shoreline Park in Mountain View was a roaring success, with **over 1000 iWalkers**, making it the largest iWalk ever. Fantastic organizational effort by the Sankara iWalk event team!

RC Cupertino had a booth at the event, right next to the awards podium. Talk about location location location! Jim Walker and Cecelia Babkirk presented SEF a check for two Matching Grant projects (these two grants were also mentioned at the Eastern Elegance Dinner.) The Grants will enable two 60-seat buses, to be delivered to Sankara Eye Hospitals at Coimbatore and Anand. Many thanks to the RC Cupertino team for coming out to support Sankara on a hot Saturday morning.

Jim Walker also invited everyone to the exciting Cupertino Fall Festival on September 19th and 20th. The event raises funds for much needed local community services.

RC Cupertino President Steve Ting's Going-Away Party, July 2009

The fun-filled lunch meeting at the Quinlan Community Center was enjoyed by the SEF team of Murali Krishnamurthy, K. Sridharan, Divyogi Patel, Girish Muckai and Nat Narayanswami. "Dr. Nat" spoke briefly about how the Bus presented to SEH-Bangalore had already transformed the lives of many of the rural poor around Bangalore city (see page 4 for details of the project.)

Thank you, Past President Steve Ting for your enthusiastic support in 2008-09 and President Liz Gallegos for your continued encouragement to Sankara in 2009-10.

Rotary Visit to India, November 1 – 15, 2009

A group of intrepid Rotarians made a 2-week event-packed trip to India, taking in everything under the Indian sun: Delhi, Taj Mahal, Jaipur, backwaters of Kerala, camel rides, elephant rides, wildlife sanctuaries, Oil refinery fires, Rotary meetings in Anand (RC Round Town,) Coimbatore (RC Coimbatore Central,) Kerala (RC Tiruvalla) and Bangalore (RC IT Corridor,) visits to three Sankara Eye Hospitals at Anand, Coimbatore and Bangalore, trips to villages, eye camp, school, university and factories, sumptuous Indian cuisine at innumerable special lunches and dinners, a Dance event by schoolchildren, a Diwali celebration complete with fireworks, Home Stays with local Rotarian families and, of course, endless shopping. Needless to say, it was an overwhelming sensory experience and a fabulous trip filled with discoveries, learning and fellowship. The visiting team inaugurated a new 60-seat Bus at SEH Coimbatore (see page 17 for photos,) witnessed villagers being screened at a Sankara eye camp near Bangalore, interacted with patients and staff at the Sankara Eye Hospitals, distributed eyeglasses and quilts in the pediatric wards (thanks Cookie for the beautiful quilts!) and took Terabytes worth of photographs.

It all began with these beautiful posters (below) made by Jerra Rowland, inviting people to go on the trip. Months of detailed planning by Savita Vaidhyanathan in concert with the various Rotary and Sankara teams in India, the untiring coordination efforts of Rotarian Suryanarayan of SEH-Coimbatore, the help of Padma Chari in making travel arrangements and the very gracious hosting by everyone in India made this a trip of a lifetime. More Rotary trips to India in the future? Everyone thinks so!

Visiting Rotary Team: Jerra Rowland, Hung Wei, Orrin and Carolyn Mahoney, Florence Stafford (PP Sunnyvale Sunrise) Peter Troop and Kathy Yates, and Savita Vaidhyanathan. Nat Narayanswami joined the team in Coimbatore and Bangalore. For a summary of the team's 'Incredible India' presentation made on December 16 at the Club's lunch meeting, see <http://www.clubrunner.ca/CPrG/Home/storyitem.asp?cid=3794&iid=128877>.

Rotary Clubs donate bus to Sankara Eye Centre

Special Correspondent

To facilitate transportation of poor patients to hospital

— Photo: Special Arrangement.

FOR THE COMMUNITY: The new bus donated to Sankara Eye Centre for its outreach eye care programme.

COIMBATORE: Rotary Coimbatore Central and the Rotary Club of Cupertino in the United States recently handed over a bus to Sankara Eye Centre at Saravanampatti in Coimbatore to facilitate the transportation of poor patients screened at outreach camps in rural areas to the hospital for surgery.

President of Rotary Coimbatore Central Pa Mohan Kumar said his club had been partnering Sankara Eye Centre in its Gift of Vision outreach programme.

Now, the Rotary Coimbatore Central had joined hands with Rotary Club of Cupertino in a matching grant project and donated a bus worth Rs.17 lakh to the eye centre, a press release issued by the Rotary Coimbatore Central has said.

Managing Trustee of the centre R.V. Ramani appreciated the Rotarians of Cupertino who demonstrated their commitment to the cause by not only contributing monetarily, but also by coming in person to present the bus. The 60-seater vehicle would help in transporting the economically backward patients from the villages to get free eye surgeries performed under the Gift of Vision programme at Sankara Eye Centre.

Mayor of Cupertino Town and Rotarian Orrin Mahoney led a team of eight members of Rotary Club of Cupertino to India. He said the club had learnt about the eye care rendered to the needy by Sankara Eye Care Institutions, India, through the Sankara Foundation in the U.S.

Their visit to India helped them see first hand the wonderful work done at Sankara Eye Hospitals at Anand in Gujarat and in Coimbatore. He said that his club would carry forward this partnership in service.

Governor of Rotary District 3201 K.K. Mathews said the project was a fitting example of international co-operation in service that the Rotary movement stood for. He commended both the clubs for donating the bus.

In the News

- 3. Cupertino Mayor (2009) Orrin Mahoney's commendation to Sankara:** In a letter (not published here) to Sankara Eye Care Institutions, India, Orrin Mahoney, who visited the Sankara Eye Hospitals in November 2009, commended Sankara's dedication and accomplishments in working toward freedom from preventable and curable blindness. Sankara hopes to publish his commendations in press releases in both India and the US.

- 5. Half-page announcement in the SEF 'Dandia' event brochure, Sept. 2009, (right, below.)**

Rotary Club: Strengthening Partnership

The enduring partnership of SEF and Rotary Club of Cupertino started in 2007 with a rotary grant for a 60 - seat bus for the Bangalore hospital to transport rural patients back and forth to the hospital for surgeries. Within 10 months of service, the bus served over 21,000 patients from surrounding rural districts. This grant was followed by donations for a \$25,000 specular microscope for the Bangalore hospital, driven by Stanford University Rotaract club. The microscope has been used in 38 rural camps resulting in screening of 1,483 patients and free surgeries for 158 patients, all this within 3 months of installation. Since then, the relationship has grown with participation of the Rotary members in SEF events like the iWalk, Dandia and with individual \$1000 donations from Rotarian, Hung Wei and her club for Gujarat hospital. 2009 is a special year as the partnership generated two grants for a 60-seat bus for the Coimbatore and Anand hospital. This is also the year of the planned Rotary visit to India for 15 days in November. Several Rotarians plan to visit Sankara Eye hospitals to meet the recipients of the gift of vision that has been delivered with the strong partnership of Rotary Club Cupertino and SEF. SEF is much honored to be associated with such a great institution.

rg 22/20

Sankara Eye Foundation

Thanks

The Rotary Club of Cupertino

For their continued support of our cause of

Vision 20/20 By the Year 2020

By donating buses to transport free patients for Sankara hospitals in Bangalore, Coimbatore and soon in Anand.

Partner Profiles

Sankara Eye Foundation (SEF) USA

Sankara is a non-profit organization comprising volunteers who are passionate about **eliminating curable blindness**. Their Mission is “Vision 20/20 by the year 2020 for India,” which involves achieving a target of 1 million free eye surgeries a year by the year 2020. To this end, Sankara plans to establish and support several world-class Sankara Eye Hospitals across India to serve the rural poor who have otherwise no awareness of or access to quality eye care. In 2009, the existing 8 Sankara Eye Hospitals expect to perform over 100,000 free eye surgeries. Two more hospitals are being planned – for Punjab and Uttar Pradesh.

The Rotary Club of Cupertino, CA

RC Cupertino’s mission is “Advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.” Its Avenues of Service include Club, Vocational, Community, Youth and International Service. The International Service team has a mission to “Expand Rotary’s humanitarian reach around the globe and to promote world understanding and peace.” Through this team, RC Cupertino initiates and partners in several worthy projects around the globe, transforming the lives of those in greatest need.
